Subject: **Advanced Post Award Monitoring - Past Due Notice

Phil,

This is a reminder regarding APAMs. I think your report is past due for this grant. Kate and Linda Anderson-Carnahan are really tracking these closely. I am reminding everyone about their commitments. Can you let me know when you can have this report completed. Lets talk if needed. I know you have been working on Bristol Bay work, and if it makes sense for someone else to take this on, let me know.

Grantee	PO	Type of Review	Final Report due by:	Status
Homer Soil and Conservation District		Phil North		On-site 2nd Quarter (March)

Thanks
